## New Home Application – Part 3 Form Board Survey Requirements

All New Home Construction is required to obtain the services of a State of Texas Registered Professional Land Surveyor (RPLS) to perform an onsite Form Board Survey prior to pouring a concrete foundation of slab or piers.

After the Form Board Survey is completed by the RPLS, please email this completed form (Part 3) and the RPLS Survey to the Circle D Civic Association Architectural Control Committee (ACC) at [contactus@circledbastroptx.org](mailto:contactus@circledbastroptx.org).

Final ACC approval will be granted after the New Home Application - Part 3 and the Form Board Survey has been submitted, received and approved by the ACC. The owner will be notified by email of the ACC's decision.

**Attention: Do not pour concrete until the Form Board Survey has been approved by the ACC.**
