First Annual Circle D National Night Out

Date: Tuesday, October 2, 2018 Location: The Park

I want to thank all the Circle D members who attended our first annual National Night Out and for sharing your delicious potluck specialties. I think I speak for everyone when saying it was nice to visit with old friends and meet new neighbors.

I wish to specifically recognize Melissa Mubasher for organizing the event, Jeannie Jessup and Carol Pease for undertaking the shopping expedition to gather the provisions, Theol Jackman for tending the grill, and the Citizens on Patrol volunteer, James Richard, handing out freebies.

Sincerely,

Doug Marousek, Board President

What do you think about tonight's event?

"Great. Getting to meet lots of neighbors"- Linda H.

What other events would you like to see Circle D organize?

"Ice cream social" - Priscilla K.

"Easter egg hunt" - Susan G.

"Hayride. International food tasting" - Sherry R.

If you know me you know I am a huge advocate for community. What better way to get out and meet your neighbors than National Night Out.

I think meeting members of your neighborhood is very important to each of us. We should know who lives next door and across the street. Sometimes we get so busy with our lives we don't see people. We know they are there but we just do not take the time to say "Howdy". Get together like this one hopefully bring people together making community connections. We (Board members) love seeing our community come together for events like this one. We will hopefully have more community activities in the future.

- Melissa Mubasher, Treasurer
